Additional Fees for Student Support Services

As a responsibly inclusive school, ICS Addis recognizes that we have an ethical responsibility to support the students we admit. In order to provide a high quality program, ICS charges additional fees for specialized educational services provided by the Student Support Team. These fees are in place to help offset the cost of providing a wide range of specialized supports across all grades. These fees are not designed to cover the full cost of the additional services.

ICS reserves the right to review the continued enrollment of any students receiving Student Support Services. If at any point the school determines that it no longer has appropriate services to support the academic and social-emotional success of the student, ICS may discontinue the student's enrollment. Parents will be notified in a timely manner of any decisions regarding continued enrollment.

Fees and services are not negotiable and may not be waived. ICS will make all final decisions regarding the need for services and the level of services needed. If ICS determines that a student needs services to be successful, the services and payment are required for a student to continue to be enrolled at ICS.

2018-19 Fee Structure

All fees are in USD and must be paid according to the Tuition and Fees Payment Schedule.

Therapies and STEP Program	Annual Fee
Speech and Language Therapy	$1,545
Occupational Therapy	$1,545
STEP Program Level 1*	$4,635
STEP Program Level 2*	$7,725

** STEP program fees include speech and occupational therapy services, if needed*

Early childhood students enrolled in the STEP Program are charged the full cost of a teaching assistant, in addition to the STEP Program fee.

Educational Psychologist Assessment	One Time Fee
If required by ICS	$500
If requested by family	$2,000

Billing Information

STEP Program fees are billed annually. Speech and language therapy and occupational therapy are billed by the semester (two semesters per year). Bills for the educational psychologist assessments will be issued when the student is placed on the testing list.

Any additional fees for new or returning students will be added to the tuition and fees invoice. Additional fees for new students are based on application documents and information gathered during the admissions process.

If ICS determines that a student does not need services, after the family has paid for the services, ICS may issue a refund for the fees paid, at the school's discretion.
