Internship Confidentiality Agreement

- I understand that in the course of my internship experience I may have access to and be involved in the processing of verbal, written, computer-generated, computer-accessed, filmed, and/or recorded information relating to clients and employees or the Mentor Organization.
- I understand that I am required to maintain confidentiality of this direct or indirect information at all times, both during and after my internship experience. I understand that I will not share, discuss, or reveal any of this information with anyone.
- I agree to abide by the confidentiality policy as stated above.

Agreement of Terms
