

**Dr. Tim Stuart** is the Head of School at the International Community School of Addis Ababa. Previously, Tim served as the executive director of strategic programs at the Singapore American School. In this role, Tim was the chief architect for research and development and supported strategic school reform. He is the former high school principal of Singapore American School where he led his division through the professional learning community (PLC) implementation process, culminating in its recognition as a PLC exemplar school. Tim also served as the high school principal of Jakarta Intercultural School (JIS) where he helped introduce PLCs. JIS is now also recognized as a PLC exemplar school. Tim has been an international and cross-cultural educator for twenty-seven years, serving schools in the United States, Turkey, Switzerland, Indonesia, Singapore and Ethiopia.

Tim is the co-author of *Personalized Learning in a PLC at Work: Student Agency Through the Four Critical Questions*. He is the editor and contributing author to *Global Perspective: Professional Learning Communities at Work in International Schools* and is a contributing author to *It's About Time: Planning Interventions and Extensions in Secondary Schools*. He is the coauthor of *Children at Promise: 9 Principles to Help Kids Thrive in an At-Risk World* and *Raising Children at Promise: How the Surprising Gifts of Adversity and Relationship Build Character in Kids*. Tim's research and writing reflect his passion for creating optimal school environments so that all students can learn and engage at the highest levels.
