2018 at 12pm

ICS LEARNER PROFILE

The aim of all programs at ICS Addis is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet help to create a better and more peaceful world. As ICS learners, we strive to be:

PRINCIPLED

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

THINKERS

We use critical and creative thinking skills to analyze and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

KNOWLEDGEABLE

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

COURAGEOUS

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

INQUIRERS

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

CARING

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

BALANCED

We understand the importance of balancing different aspects of our lives – intellectual, physical, and emotional – to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

REFLECTIVE

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

COMMUNICATORS

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

MESSAGE FROM ASA OFFICE

Dear Parents,

Thank you for signing up for season one after school activities (ASA). We hope your child/ern have enjoyed the activities.

Season two is on the horizon. As usual, we have included in this booklet lots of activities on offer and how you can sign up for it. Look for what would be appropriate for your child and be ready to sign up when the registration portal is open.

Don't forget to look at the Q&A section as it could offer some answers to your questions.

This first season, we introduced an "open house" concept at the end of the ASA season, that we would like to see continue in season two. During the last week of season two ASAs you will be able to join your child in the activity and see what new skills your child has developed.

ISSAAA SPORTS LEAGUE

Students in grades 4 and 5 have the opportunity to play in the ISSAAA league. ISSAAA is the sports organization of 8 private schools in Addis Ababa.

Students who are 11 years old or younger as of September 1st, 2018 and are in grade 4 and 5 qualify to participate in this league. This will allow our athletes to compete with other schools in organized and coached teams. If your child is interested in playing school sports, please do not sign up of ASAs on the days those sports practices happen. Do check the Q&A section for more details regarding practice days.

For the U12 team sports the school has an inclusive policy. All interested and committed students will be placed on a team and receive game time regardless of ability. To register for these teams, go to “athletics” on the school website. Registration for this is now open and you do not have to wait until next week.

SPORTS - U12 VOLLEYBALL

Students in grades 4 and 5 have the opportunity to play in the ISSAAA league. ISSAAA is the sports organization of 8 private schools in Addis Ababa.

Students who are 11 years old or younger as of September 1st, 2018 and are in grade 4 and 5 qualify to participate in this league. This will allow our athletes to compete with other schools in organized and coached teams. If your child is interested in playing school sports, please do not sign up of ASAs on the days those sports practices happen. Do check the Q&A section for more details regarding practice days.

For the U12 team sports the school has an inclusive policy. All interested and committed students will be placed on a team and receive game time regardless of ability. To register for these teams, go to “athletics” on the school website. Registration for this is now open and you do not have to wait until next week.

Q&A ABOUT ASA SIGN UP IN ES

Q1. When does the activity sign up begin and when do the first activities take place?

A. November 27 at 3.45pm is a really big date and time to remember. This is when the activities will open up online at <http://intranet.icsaddis.edu.et/elemasa/index.php> This operates on a first come, first served basis, so many of the popular activities fill up very quickly. Activities will begin the week of Dec. 3 and are on Monday's, Tuesday's, Thursday's, and Friday's beginning at 3:30pm. Season 2 will end on Friday March 7.

Q2. What is my child's code to register for ASA?

A. This will be emailed to you this week but if not, it's an easy process-it will be the child's ID number.

Q3. What do I do to sign up my child for U12 Volleyball?

A. It's an easy process-it will be the child's first name, then hyphen (-), followed by last name, first initial. The code is the 4 numbers on the student ID. Example-mick-c, code 1234, please refer to page 3 of this booklet.

If you are having trouble accessing this, please see the ASA office for assistance.

Q4. How many activities can I sign my child up for?

A. The limit is two activities; students do not have to sign up for two, but of course they will probably want to, so two is the maximum

Q5. What time do activities end?

A. All activities end at 4:30, and all parents should arrange the necessary pick-up, when their child has a scheduled ASA.

Q6. I don't have internet at home-how will I sign up?

A. We give a lot of notice to the community about the sign up time-The big day is November 27 at 3:45pm and you should arrange to have access to the internet during that time either at home, at work, or on campus.

Q7. When I signed up, the activity was full and my child cannot do his favorite activity. What can I do?

A. This is unfortunate and does happen in the case of the very popular activities. Some activities have limited facilities and equipment and that is why there is a limit on spaces. Your child will then be placed, after consulting with you, into a different activity if you are on the waiting list. We have found that after the initial disappointment, once a child is enrolled in something else, they are glad to be there and have a lot of fun. Having a number of backups is useful to have should this happen.

Q8. How many seasons are there?

A. There are three seasons throughout the year. There are usually seven to nine sessions per season, but holidays and other events can make it less than this; we do not makeup sessions due to holiday's or school events.

Q&A ABOUT ASA SIGN UP IN ES

Q9. My child really wanted to be in activity with her friend. Can we switch activities now that they find themselves in different ones?

A. Unfortunately, due to the high interest in many of these activities and the logistics involved, this is not possible.

Q10. Does Volleyball count as two activities since there are two practices each week?

A. No, teams like Volleyball, only count as one activity even though they take place twice per week. You are able to choose an additional activity on top of these, though on a non-volleyball day.

Q11. U12 Volleyball: Can my grade two student sign up for U12 Volleyball?

A. No they cannot. U12 team sports are only available for students in fourth grade and up; these students must be 11 years or under on September 1st, 2018 or they will move up to the next age group in team sports. This is an ISSAAA local league rule as well as a safety one.

Q12. Can my daughter participate one day in Volleyball and then another day which is also a Volleyball day, in another activity?

A. No. Unfortunately, the sports team are a little different to activities and by signing up for this sport it is a twice a week commitment.

Q13. What times does U12 Volleyball finish?

A. Playing U12 is different from activities in many ways. It is two practices a week and these practices will not finish until 5.10pm Monday and Thursday for these teams. There will also be Saturday morning tournaments to enjoy as part of an ICS team in ISSAAA local festivals.

Q14. The really popular activities such as Gymnastics, Kung Fu and Taekwondo always seem full barely seconds after sign up. Is the system fair?

A. The system is fair to everyone and ICS does not hold reserved lists. Some ASA's are just very popular but due to safety, facility or instructional factors there are limits on maximum numbers in them.

Q15. Where is the pickup area?

A. The pickup area is next to the new elementary playground

PROTOCOL FOR ATTENDANCE, MISSING OR DROPPING AN ASA

01

PROTOCOL FOR MISSING OR DROPPING AN ASA

- If your child is going to miss an ASA on a day that they are at school, please inform the student's teacher at least one day in advance
- Students must attend their ASA if they are at school and if the teacher has been notified otherwise (to ensure that teachers and parents know where the students are).
- If your child is going to drop an activity, please notify the ASA office, so that the student could be dropped from the activity roster and another student can be added if there is a waiting list.
- Students are not permitted to attend ASAs on a day they are absent from school.

02

ATTENDANCE PROTOCOL

Soon after 3:20pm bell, all students participating in ASA are to be taken, without exception, from the classroom directly to the pick-up area. If needed, kindly pack/provide a snack ahead of time.

NO ELEMENTARY SCHOOL ASA DAYS

- On all half days and days without school
- On days with extracurricular activities such as:
 - ES goal setting conferences

PARENTS OF EAL OR SPECIAL NEEDS CHILDREN

After School Activities are a time for children to have fun and explore new tasks. We want your children to gain the most they can from these experiences. Children who are learning English and children with special needs often need our help to ensure they get the most out of the activity.

ICS staff are involved in instructing activities or in preparing lessons for your children; therefore, they are not available to assist with specific children. Parents can help us to ensure that the children get the most from their experience.

Children who are learning English and children that have special needs may need to have guidance attending their ASAs by following some of these suggestions;

- The first few times your child attends the activity, have someone (a nanny, your driver or yourself); take your child to ensure they arrive at the correct activity and understand the expectations.
- Inform the ASA instructor (as some are not teachers) about your child's unique needs.
- Check occasionally to see that things are still progressing, after you and the instructor agree that your child has settled.

ONLINE REGISTRATION

We have online registration system open for parents to register on Tuesday 27 November 2018, 3:45pm. If there are any delays with the starting time and date, ICS will notify parents.

- All families should have a copy of the ASA Booklet. The booklet is also available on the ICS website
- Select only two (2) activities for your child
 Exceptions: Soccer runs two times per week but counts as only one selection
- Use your child's name and code number that has been emailed to you

Follow the five easy steps below to register your child on the elementary online registration system.

STEP 1

- Type the following link into your URL address line on your web browser. <http://intranet.icsaddis.edu.et/elemasa/index.php>
- You will then see the following pages on your browser

**Welcome to the ICS After School Activities
Online Registration System**

Registration ended on Friday, September 7, 2018 at 12:00 PM

Code:

STEP 2

- Enter your child's code and click "Log In"
- You will see a screen with all the ASAs that are available for your child at his/her grade level

STEP 3

- Select up to two (2) extra-curricular activities for your child by clicking on each of the boxes next to the name of the activity.
- If the activity is full, we ask that you select another choice
- If you would like to be placed on the waiting list for an activity, please click on the desired box

STEP 4

- Once you have selected the ASAs for your child, please click the "Register" button at the bottom of the screen
- You will then receive a confirmation page of your child's activities that you should print out for your records

If you select more than two (2) activities, you will receive a warning page. Once you correct the mistake, you will receive a confirmation page

Step 5

You can return to the Elementary ASA online Registration System to add and/or drop activities for your child. Please be aware, as soon as you drop an activity, the system will automatically place someone on the waiting list in your child's place. Please be very sure that you want to drop an activity before you do so.

MONDAY

Soccer Club

Abdi Chali

Grade : G1-2
Limit: 20

Soccer develops agility, speed and stamina, and also teaches children the importance of teamwork, so it can play an important part in your child's physical and social development. Come and join us.

Tae Kwon Do

Addisu Hurgessa

Grade : G1-2
Limit: 18

This activity is for students at the beginner level in grades 1-2 who want to learn Taekwondo, or need to complete their white belt from previous years. Taekwondo at ICS is only taught as an introduction to the sport. If you wish to be proficient in TKD, please arrange private lessons at a TKD Club in Addis.

Mandala Art

Zelalem Beka

Grade : G1-4
Limit: 15

The practice of colouring a mandala, or doing a mandala meditation, is a way to promote good health, and aid relaxation. So come, allow your brain to calm and relax from a busy day!

Wrapping Fashion Design

Khushali Vaghela

Grade : G1-5
Limit: 15

Here we try to change our clothing style with modern wrapping tricks. We can learn how to wrap a scarf or any kind of fabric to innovate various new styles to cover head, neck, top, or bottom. Also we can reuse used clothes to create a new style fashion wear. These techniques of fashion styles can be learned within short time without stitching.

Creative Collage

Tigist Baba

Grade : G2
Limit: 15

Creative collage is an artwork made from an accumulation of different forms, thus creating a new whole.

Step Drawing

kidist Tadesse

Grade : G2
Limit: 15

In this ASA kids learn how to draw different things following easy steps. While relaxing and having fun ,it will help them to enhance their motor skills and creative thinking. If you like to draw you can join us.

Book Fun

Martha Yigezu

Grade : G2
Limit: 1

Students listen to read aloud . Then they read independently or with partners. They will develop their social , communication , interpersonal and communication and reading skills.

Fun with Construction Materials

Selam Minale

Grade : G2
Limit: 20

fun with blocks is an activity where kids could have fun by making different things with construction materials. This will enable them to realize they could use a certain material and change it into anything. It will also enhance their creativity and imagination. At the same time it will give them that socialization time where they get to share ideas and materials.

MONDAY

Craft with Popsicles

Semhal G/Medhen

Grade : G2-4
Limit: 15

If you are interested in making craft with popsicles, come and join me!!! Creating thing with Popsicle will help you to explore a new material and make you creative, confident, build your fine motor skills and develop problem solving abilities.

Online Math Games

Eden Fitwi

Grade : G3-4
Limit: 15

Do you love numbers? Do you love computer games? Online Math Games has both! Come join us in this exciting math adventure! You'll get to play the best online games, learn different math and problem solving skills.

Girls on the Run

Brooke Gyermek

Grade : G3-5
Limit: 15

Girls on the run will inspire an appreciation of fitness and help to build habits that lead to a lifetime of health. We will train over the weeks to run, stretch and create healthy habits. At the end, we will have a 5k race which will be a celebratory, non-competitive event. Please plan to wear running shoes and athletic wear.

Creative Jewelry

Laura Custance

Grade : G3-5
Limit: 15

Was your day at school busy? Come relax afterschool and make jewelry for yourself, family or friends! We'll create unique designs using clay, wood, washi tape, paint and paper.

Do you love Math? I do! In the Math Olympiad ASA, students will be inquire into challenging math problems to further develop problem solving, mathematical logic/reasoning, and, most importantly, a love for Math! Throughout the ASA, minds will be stretched as students work both collaboratively and independently to solve a variety of problems/puzzles. There will be 5 'contests' students will participate in and be able to compare their scores with others around the world! Be courageous and come try your best!

Drum Circle

Adane Asnake

Grade : G4-5
Limit: 15

We start from understanding rhythm and play different rhythm combination on body percussion and build it to proper drum circle. We use hand drums and djembe.

Creative Weaving

Selam Deneke

Grade : G4-5
Limit: 15

Creative Weaving activity is a fun activity where kids can use their own creativity to make something. It is a relaxing activity I am sure you will enjoy. Please sign up for this activity I promise you won't regret it.

Harry Potter Book Club

Ravi Jeyachandran

Grade : G4-5
Limit: 15

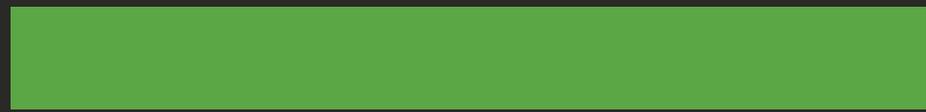

This club is for all things Harry Potter. Bring your favorite Harry Potter Book to read, watch Harry Potter Movies, discuss your favorite Harry Potter character, choose your Hogwarts house and bring your wizarding wand.

Groovy Greek Gods!

Sophia Manekuleh

Grade : G5
Limit: 15

Have you heard about the ancient Greek gods? Did you know that they were a funny, powerful, crazy, amazing and secretive bunch? Why did Cronus swallow a boulder? Who was born on the sea? Who had flying slippers? Come on over and find out the answers to these questions and more! While you are here, work on making your own, magical and GROOVY god!

**SEASON 3 ASA
