

Dear Parents,

We are looking for parent volunteers to support the Coordinating Team with PCL events both big and small and on an on-going basis for 2019-20. There are many opportunities to get involved in varying capacities and time commitments.

If you have a desire to help during a specific event or to help an event or to support/be a part of the Coordinating Team on an on-going basis for 2019-20, **please raise your hand!**

#### **The Parent Community Group / PCL**

The Parent Community Link's mission is to create a strong sense of community, to raise the level of parent involvement and to support students and teachers in delivering a quality education program. The PCL works exactly like past PTAs have, just a different name.

We seek to accomplish this mission by:

- enhancing two-way communication between the school and parents.
- increasing community involvement that supports the ICS mission and vision.
- arranging activities and special events that support and enhance the sense of community.
- Supporting students and school projects with fundraising through PCL activities.

The PCL is made up of parent volunteers and is supported and ultimately overseen by the school through the Strategic Programs Office.

The PCL is run by volunteers and without volunteers, the community events become smaller or go away completely. Without volunteers the PCL will no longer exist. And the great programs that they have created also no longer exist, like the Fall Festival, the Spring Festival, monthly Coffee Mornings, Tours, Sports Day, and other events and key support for CAS, Focus on Service and other school programs. The PCL is a vital organization and needs your support and volunteerism to thrive.

Please consider volunteering for an event or for the year.

If you have any questions about the PCL or about any type of volunteering, or would like to sign up, please reach out to the PCL at [pcl@icsaddis.org](mailto:pcl@icsaddis.org) or to [strategicprograms@icsaddis.org](mailto:strategicprograms@icsaddis.org)

Best,

Your PCL

p.s. For those interested in becoming part of the Coordinating Team, team members will be selected by the Strategic Programs Office.
